Goal Attainment Scale

Directions: After doing your final assessment, list the number of students that fell into each Goal Attainment Category that was pre-determined by your Study Group. (Example: 7 students performed at Level 5, 9 students performed at Level 4, etc.). *Bring this report form and the assessment used to your final Study Group meeting.*

Team Member Name: _____

Study Group Coach: _____

Class Level of Students being assessed: _____

Number of Students being assessed (*CRUCIAL TO REPORT!*): _____

Study Group Goal (please list here): *Students will ...*

Rubric or Other Assessment Tool (please attach)

Goal Attainment Categories	Goal Score	Anticipated Success	Numbers of students who achieved at each level (based on the anticipated success set by your Study Group)
Best anticipated success Significant Achievement	Level 5		
More than anticipated success – Definite Achievement	Level 4		
Expected level of success – some achievement	Level 3		
Less than expected success – minimal achievement	Level 2		
Most unfavorable success – no achievement	Level 1		
Total Number of Students
